

NATURAL DISASTER COMPONENT

GOAL 11.0. Protect human life and limit public expenditures in the Coastal Area subject to destruction by natural disaster.

Objective 11.1. Limit public expenditures that subsidize development and establish criteria for prioritizing capital improvements.

Policy 11.1.1. Public expenditures should focus on projects which restore or enhance natural resources such as beach nourishment.

Policy 11.1.2. The County shall not utilize public funds for infrastructure expansion or improvements in coastal high-hazard areas unless such funds are necessary to provide services to the existing development and to provide adequate evacuation in the event of an emergency.

Objective 11.2. Direct population concentrations away from known or predicted coastal high-hazard areas.

Policy 11.2.1. The Broward County Planning Council shall maintain a Broward County coastal high-hazard area map with information received from the Emergency Management Agency as part of the Natural Resource Map Series of the Broward County Land Use Plan.

Objective 11.3. Maintain or reduce predicted hurricane evacuation times in the Coastal Hurricane Evacuation Plan (CHEP).

Policy 11.3.1. The County should assign sufficient and appropriate personnel to assure that tasks, necessary to expedite evacuation, are completed.

Policy 11.3.2. The Broward County Comprehensive Emergency Operations Plan and CHEP should be revised as needed to reflect new techniques or programs useful in accelerating evacuation.

Policy 11.3.3. Regular meetings of local and regional evacuation planning professionals should be continued.

Policy 11.3.4. Solicitation of data from police and fire departments regarding transit dependent evacuation needs of mobile home park residents within municipalities should be continued.

Policy 11.3.5. The Elderly Services Division should continue its procedures to inform Persons with Special Needs (PSN) of evacuation transportation and shelter services that may be available to them.

NATURAL DISASTER COMPONENT

Objective 11.4. Broward County shall develop a County-wide post-disaster redevelopment and mitigation plan which reduces exposure of life and property to natural hazards.

Policy 11.4.1. Post-disaster redevelopment should distinguish between immediate repair and cleanup actions needed to protect public health and safety and long-term repair and redevelopment activities.

Policy 11.4.2. Post-disaster redevelopment should address the removal, relocation, or structural modification of damaged infrastructure as determined appropriate by Broward County but consistent with federal funding provisions and unsafe structures.

Policy 11.4.3. Broward County shall incorporate the recommendations of interagency hazard mitigation reports into the Broward County Comprehensive Plan.

Policy 11.4.4. All new construction along the beachfront should be consistent with design criteria established pursuant to the designation of the Coastal Construction Control Line (CCCL).

Policy 11.4.5. Regulations contained within the Florida Building Code should be enforced to reduce exposure of life and property to the damaging effects of a hurricane.

Policy 11.4.6. Broward County disaster specific mitigation plan addendum recommendations should be incorporated into the post-disaster redevelopment plan for the County-wide post-disaster redevelopment and mitigation plan.

Policy 11.4.7. Broward County shall limit post-disaster redevelopment in areas of repeated damage, where legal and financially feasible.

Policy 11.4.8. All codes and ordinances referenced in this Component are as adopted as of October 1, 1996.
