

**Section IV.13 - Intergovernmental Coordination Element**

**This section is an Evaluation of the Objectives and Policies under each Goal. Areas of deficiency within this element are further addressed in Section IV.13 (a).**

**Goal 15.0** Provide accessible, effective, and frequent intergovernmental coordination opportunities to identify and implement compatible goals, objectives, and policies regarding development activities and service provision in Broward County.

<b>Objective/Policy</b>	<b>Measurable Target</b>	<b>Baseline Condition</b>	<b>Current Condition</b>	<b>Objective Achieved?</b>
<p><b>Objective 15.1.</b> The Broward County Board of County Commissioners, or its designee, shall coordinate the Broward County Comprehensive Plan with the plans of the School Board of Broward County, with the comprehensive plans of adjacent municipalities and adjacent counties and with other units of local government providing services to the Unincorporated Area but not having regulatory authority over the use of land through such mechanisms as interlocal agreements, dispute resolution processes,</p>	<p>Coordinate the GOP's of Broward County Comprehensive Plan with plans of adjacent municipalities, counties and other units of government, including the school board which provides services to the Unincorporated Area.</p>	<p>The Broward County Board of County Commissioners, or its designee, coordinates the Broward County Comprehensive Plan with the plans of the School Board of Broward County, with the comprehensive plans of adjacent municipalities and adjacent counties and with other units of local government providing services to the Unincorporated Area but not having regulatory authority over the use of land through such mechanisms as interlocal agreements, dispute resolution processes, intergovernmental review of</p>	<p>Implemented.
